The Cornell University **Career Guide** is the **OFFICIAL** recruiting publication of Cornell Career Services. It is published annually and distributed to students at no cost. This valuable resource is made possible through employer support.

Cornell's engineering program has once again been ranked as one of the top engineering programs for 2012 by *U.S. News & World Report*.

Make a connection with the students you want to attract and recruit by sponsoring the **2013-2014 Career Guide!**

BONUS distribution at Fall 2013 Career Days, Cornell's biggest career fair of the fall semester.
