

Overview of Services

Cornell Career Services

Offers a broad range of programs and services to assist students with their career development.

Career planning

Career counseling and testing, library and Internet resources, shadowing and networking opportunities.

Job-search strategies

Advice on the job search, workshops, employer career fairs (on and off campus).

Employment services

Interviews (on and off campus), resume referrals, job postings via the Internet.

Graduate and professional school advising

Advice and workshops on the application process and fellowships, information resources, Graduate and Professional School Days.

The mission of Cornell Career Services is to contribute to the Cornell community of learning by providing outstanding career-development services that help students apply their education and experiences toward advancing their career goals over a lifetime.

Cornell Career Services educates students about career planning and the job-search process and promotes linkages between students and graduate/professional schools and employers.
