John R. Lawrence, Vice President  
Reed Parker and Lehman Investments  
30 Wall Street, 17th Floor  
New York, NY 10022

Dear Mr. Lawrence:

I thoroughly enjoyed meeting with you and your staff yesterday when I interviewed for the financial analyst position. The discussions were highly informative, and I was impressed with the planned addition of a mentoring component to the training program. This is precisely the kind of training program I am seeking.

My visit strengthened my interest in the financial analyst position and my enthusiasm for working at Reed Parker and Lehman. I believe that my major in economics, my leadership position in the student business association, and an internship with Goldman Sachs last summer have prepared me to make a significant contribution.

As you requested, I am enclosing a summary of the research project I completed in a course in financial economics. Please do not hesitate to call me at (607) 269-1824 if I can provide additional information. I look forward to hearing from you soon. Thank you again for your time and the courtesy you extended to me.

Sincerely yours,

Wendy Peterson
