**Current Address:**  
112 Sage Place, Room 911  
Ithaca, NY 14850-4479  
(607) 227-6051

**Permanent Address:**  
134 West 53rd Avenue  
Vancouver, BC, Canada V5Y 2W2  
(778) 320-7097

- OBJECTIVE** A full-time software-development position, preferably related to systems or web applications
- EDUCATION** **Cornell University**, College of Engineering, Ithaca, NY May 2012  
Master of Engineering in Computer Science
- University of British Columbia**, Vancouver, BC, Canada May 2011  
Bachelor of Applied Science in Computer Engineering, with Distinction  
Software Engineering Option • Minor in Commerce
- Honors and Awards** Dean's List • Undergraduate Scholar Program Scholarship • Association of Professional Engineers and Geoscientists Scholarship • Alexander Memorial Scholarship • Golden Key International Honour Society
- Relevant Courses** Design of Distributed Software Applications • Advanced Topics on Computer Systems • System Security Operating and File Systems • Introduction to Relational Databases • Software Engineering • Software Project Management • Empirical Methods in Machine Learning and Data Mining • Computer Graphics
- RELATED EXPERIENCE** **Programmer Intern** June 2009-May 2010  
*Denseisha Co. Ltd.*, Kumamoto City, Kumamoto Prefecture, Japan
- Designed, developed, and tested J2EE application for monitoring state of multiple web servers, using Seasar (dependency injection) and Hibernate (persistence).
  - Implemented blogging feature on one of Oita Prefectural Tourist Association's websites.
- Programmer Analyst** September 2007-August 2008  
*Northwood Pulp Mill, Canadian Forest Products*, Prince George, BC, Canada
- Created two ASP.NET web applications: one for analyzing historical production data stored in a database, and one for storing daily reports on environmental incidents.
  - Maintained two other ASP web applications and made improvements based on user requests.
  - Created over ten business reports in Crystal Reports (CR) format.
  - Recognized as one of most knowledgeable CR developers within Pulp and Paper IT department.
- Volunteer Programmer** May-August 2007  
*Everlasting Business Solutions*, Richmond, BC, Canada
- Programmed and tested Delphi-based application for scheduling appointments; developed associated user documentation.
  - Wrote test plan and performed testing on two other software products.
- OTHER EXPERIENCE** **Service Center Assistant** September 2011-Present  
*Graduate & Professional Student Housing, Cornell University*, Ithaca, NY
- International Affairs Committee Member** July 2009-May 2010  
*Kumamoto Yamanami Rotaract Club*, Kumamoto City, Kumamoto Prefecture, Japan
- Secretary** September 2008-May 2009  
*Vanland Holdings Ltd.*, Vancouver, BC, Canada
- SPECIALIZED SKILLS** Programming Languages: C, C++, Delphi, Java (J2EE, J2SE), SQL, VB, VB.NET  
Web Development: ASP, ASP.NET, ColdFusion, HTML, JavaScript, PHP, VB Script  
Tools: Crystal Reports, Delphi Quick Reports, Impromptu, Matlab  
Languages: Fluent in Cantonese and Mandarin; Proficient in Japanese
- PROFESSIONAL AFFILIATIONS** Association for Computing Machinery • Association of Professional Engineers and Geoscientists of British Columbia (Student Member)
