SUMMER 2011
FEDERAL WORK STUDY APPLICATION

Federal Work Study (FWS) is available for the Summer 2011 employment term for students who had FWS in their Spring 2011 package and who intend to register full time for the Fall 2011 term. ***This application should be completed if you intend to work with an on-campus employer or at one of the Community Public Service agencies in the Ithaca area.***

If you wish to work for the New York City Public Service Corp you must complete the application from that agency which is available at the front desk in 203 Day Hall or at 203 Barnes Hall.

If you are applying for FWS to work with an off campus employer...either in the local Ithaca area (one that is **not** a Community Service employer), the Boyce Thompson Institute or an employer in any of the fifty states...you must complete a Develop Your Own (DYO) application which is available at University Career Services in 203 Barnes Hall. Questions concerning the DYO application should be directed to Nancy Law: NFL1@cornell.edu.

The Summer 2011 FWS award is \$5000.
